Delta Asset Management

Objective

Delta Select's investment objective is to outperform its benchmark, the S&P Merval Index TR (ARS). The fund's management style is active, based mainly on fundamental analysis through the study of critical variables of the companies' business models. We also analyze the development of each company within the economic context, the competitive environment, operating performance and cash flow generation capacity. Qualitative, quantitative and technical analysis are also considered in our analysis. Redemption payment: up to 2 business days.
