## Objective

Delta Moneda es un fondo de renta fija que busca ofrecer un desempeño comparable a la evolución del tipo de cambio del dólar (Comunicación "A" 3500 BCRA) en el mediano/largo plazo. El fondo tiene una correlación positiva con el movimiento del tipo de cambio, sin representar una cobertura perfecta. En este sentido, el Fondo invierte al menos un 75,0% en activos de renta fija argentina dólar-linked (tanto soberanos como corporativos) y/o instrumentos de renta fija en pesos con cobertura de futuros de dólar en Rofex. Asimismo el fondo puede invertir hasta 10% del patrimonio en bonos en dólares. Pago de rescate en 2 días hábiles
