Objective

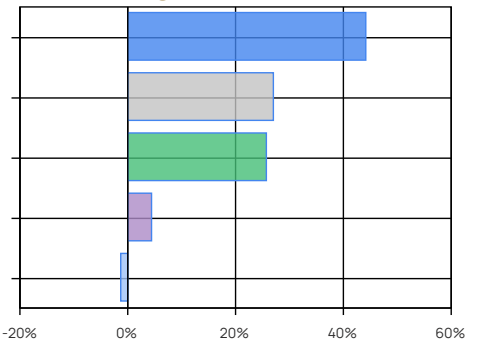

Delta Patrimonio I es un fondo de renta fija que tiene como objetivo de inversión ofrecer un desempeño comparable con la evolución del tipo de cambio del dólar oficial (Comunicación "A" 3500 BCRA). El fondo busca tener una mayor correlación positiva con el movimiento del tipo de cambio en el corto plazo, sin representar una cobertura perfecta, con respecto a las otras alternativas dólar-linked de la familia de fondos Delta Asset Management. Para tal fin, Delta Patrimonio I invierte principalmente en instrumentos renta fija en pesos, de alta liquidez y baja duration, con cobertura de futuros de dólar en Rofex de corto plazo. Pago de rescate en 2 días hábiles.
