Objective

Delta Select seeks to achieve returns above its reference index, the S&P Merval Index TR (ARS)*. Through active management, based mainly in the fundamental analysis through the study of critical variables of the Companies business models. In the same manner, we analyze the development of every Company within the economic context, the competitive environment, the operational performance and its flow generation capacity. A qualitative, quantitative and technical analysis is also considered. Redemption payment: 2 bussines days
