Objective

Delta Multimercado II seeks an optimal diversification between Argentine fixed income instruments, mainly in pesos, in the short/medium term. The fund invests at least 75% in the best alternatives of peso-denominated bonds (Inflation-Linked, USD-Linked, Floating Rate, Fixed Rate, among others), with the possibility of investing the remaining 25% in USD Argentine bonds (both sovereign and corporate).

Performance	E Share Institutional
Month	8.57%
Year to date	32.73%
