Objective

Delta Gestión IX is a fixed income fund that targets a performance comparable to the evolution of the official exchange rate (Communication "A" 3500 of the Central Bank) over the medium/long term. To this end, Delta Gestión IX invests at least 75% in dollar-linked Argentine fixed income assets (with corporate bias), and the remaining 25% may be invested in Argentine corporate bonds in dollars among those with the best credit quality.

Performance	B Share Institutional
Month	5.00%
