## Objective

Delta Multimercado I is a balanced fund that seeks to be an alternative for those investors that would like to delegate the timing management of the investment between fixed income and equity. The portfolio contains at least 75% of the best investment alternatives of peso-denominated bonds (including USD-Linked universe) and Argentine equity, with the possibility of investing the remaining 25% in USD Argentine bonds (both sovereign and corporate).

| Performance                 | A Share Retail |
|-----------------------------|----------------|
| Month                       | 12.08%         |
| Year to date                | 48.17%         |
| Last year                   | 242.52%        |
| Last three years annualized | 137.90%        |
| Last five years annualized  | 102.37%        |
