# Objective

Delta Patrimonio I is a fixed income fund that aims to deliver performance comparable to the evolution of the official U.S. dollar exchange rate (Communication "A" 3500 of the Central Bank) over the medium to long term. To this end, Delta Patrimonio I primarily invests in highly liquid, low-duration peso-denominated fixed income instruments, with U.S. dollar futures hedging on Rofex.

Performance	A Share Retail
Month	-2.62%
